# The Encounter Baptist Church

We want to tell you how God uses us to share His Word and love with more people in our city.

## Little Jesus

We met Jesus through our youngest son Samuel, they study in the same educational institution.

Jesus, 6 years old, needed an open heart surgery. Together with some of our brothers and sisters, we were able to help so that Jesus' operation could be performed in the city of Lima.

Thanks be to God, the operation went very well, now he is recovering at home with his parents.

# Sharing God's love

We regularly visit the pediatric area of the General Hospital Honorio Delgado. This hospital is located 6 blocks from our meeting place.

We were able to share some tracts, sit with some families and teach them about the love of God.

We were not allowed to take pictures of the children due to hospital security rules.

This February, we want to distribute 70 bibles for children that were donated by some of our brethren. To do this, we have requested special permission from the hospital administrators. We hope to have a quick response and approval.

Please help us to pray for this.

# Help us by praying

Claudia and Natalia have been visiting us for a few weeks after our last letter.

After meetings and visits with my wife, we realized the need in Claudia's life for the work of repentance and faith, but after our last conversation she told us that she no longer wants to listen to God's teachings for her.

We are praying that this desire in her heart will change and that she will surrender her life completely to our Savior.

## Discipleship

This year 2024 in the month of March we will be initiating a discipleship process with the entire membership of our church.

We hope to encourage, teach and instruct the membership in the Word of God. Helping them to make decisions that will strengthen their spiritual life.

It will be a time of great blessing, we will spend time with our brothers and sisters in their homes, we will also spend time with the young singles and with our older members.

## Our 2023 Anniversary

We also celebrated our 5th anniversary. It was a very special day with the participation of all our brethren: receiving the visitors, participating with musical specials, testimonies of salvation, and the reciting of Bible verses learned in our Growth Groups.

We had 7 visitors with whom we were able to share the Gospel, witnessing to them the unity and love of God.

# New Members

The last week of this past year, God added Jose Antonio, Rocio and Rodrigo to our church.

We had been talking with them for several months about faith and the privilege of being a member of a local church.

God did His work, and today they are members of the Encounter Baptist Church. The membership voted and received the Pinto Chavez family with joy.

Today, we continue to share the truth of our God with our neighbors and friends, praying that they may know Jesus personally.

## About us

Our son Samuel, the youngest of the 3, had a severe episode of infection in his small intestine, thanks be to God everything was resolved favorably in the health of our son.

We are very grateful for the special offering from the Faith Baptist Church, without their generosity we would not have been able to cover the hospital and other expenses.

As we went through this difficult time, we realized the need of our family to be able to acquire a car and thus be able to mobilize Samuel quickly in any health situation.

We also realized how essential a car is for the transportation of our entire family to school and other activities.

Please help us in prayer to be able to acquire a vehicle that will allow us to cover this need.

Our oldest son Carlos finished his schooling and this year he will be studying graphic design in a private institution. We long to see how God will use his studies as a tool to share His Word, and also how he will use it in his work at The Encounter Baptist Church.

Elisa is about to enter the second year of elementary school in a Christian school. We are happy to see how our daughter is growing and talking to her friends about Jesus.

My wife and I continue to move forward with love in the service of our God.

Please do not stop praying for us, we continue to be faithful in sharing the Word of God with the people of our city.
