REPORT

JUNE 2024

The Encounter Baptist Church

By the grace of God, your work here in Arequipa - Perú continues to advance. We are faithful in sharing his Word every Sunday and also in the middle of the week.

We begin our discipleship process with each brother in our membership, as we seek unity and communion in faith.

We had our 1st Conference on the book of Genesis, through the teachings on the days of creation and the flood, attendees were able to learn about the nature of man and his need for God, The Creator of all. 50 people visited us every day, during the 3 days of our conference.

Our Marriage Meeting was a joy for each of the attendees. We had 10 couples with us. Each couple realized their need for God and how in his love they can have a healthy marriage.

Matthew 28:19

Go ye therefore,
and teach all
nations, baptizing
them in the name
of the Father, and
of the Son, and of
the Holy Ghost.

We shared 100 brochures near our premises, while we talked about the gospel with some people on the streets. We pray that these conversations will have an effect on the hearts of each person.

We continue to help people in need near our area, while praying how God can give us direction in this ministry.

ABOUT US

Our last son Samuel, who has Down Syndrome, now 6 years old, needs surgery on his teeth and gums. His baby teeth for some reason are causing problems with the development of his next teeth and jaw. The budget requested by the doctors is USD 1,600. We must carry out the operation the first week of July.

Samuel must leave a special school to a regular school, this requires us to put him in a private school in the absence of state support for us. Each school year for Samuel would cost an average of USD 1,200.

At the end of this year or possibly in October of this year 2024, we must leave the home we occupy until today. We must think about renting an apartment that would generate an increase in our monthly budget of USD 480.

The office that I have been using to this day for all the affairs of our church requires a budget per year of USD 2,100.

We ask for your support in prayer for each of our needs until today.

God is always good. He has always known how to meet our needs through the generosity of his churches.

We continue to trust him to advance his work here at Iglesia Bautista El Encuentro here in Arequipa - Perú
