August 2024

God bless each brother and sister who assembles in the Baptist Churches of our Lord Jesus Christ.

I give thanks to God for you and I am happy to relate the blessings of the Lord Jesus in this ministry.

I rejoice that God demonstrates to us that He cares for His own, even in our city which has a great lack of safety. He gives us the blessing of being able to speak in His name to the people who give us the opportunity to explain the gospel message, without any opposition. He encourages us by His grace to continue in the work, and we have had some visitors in our services. We see those who continue to attend faithfully, some young people trying to take part in the services. Also, a sister who has been attending for some time has asked to be baptized, which makes us rejoice that she has this conviction.

Seeing these things that the Lord is doing motivates us in our endeavors to glorify Him and we continue with each activity, knowing that the Lord reveals His will at all times.

On another note, we have been saddened along with the family of Brother Carlos. They are grieving the recent death of his niece Karla, for whom we had requested prayer when her kidneys were failing to function.

The health of our son Jahaziel is good, except for some pain as the weather is changing, but he can now carry on his normal activities and is not confined to his bed as in the past.

Pray for us and for those who assemble with us, that conviction would come to their lives.

In the service of the Lord,

*Marco A. Cantú*
