THE ENCOUNTER BAPTIST CHURCH

Latest News

Greetings from Arequipa, Peru. The church continues to move forward in the process of discipleship. We want to quickly reach unity in our faith in our Lord Jesus.

These past few months, we have been tested to remain united through trials. Being provoked to love means leaving our position and stubbornness behind and loving our brothers and sisters. Please pray that all of our brothers and sisters will have this attitude toward one another.

SAMUEL IS RECOVERING.

The operation on our son Samuel was performed on July 27, after several clinical examinations and confirmation from the doctor that everything was fine for it to be performed safely on our son.

By the grace of God, the operation was a success!

My wife was able to accompany Samuel into the operating room and hold his hand until he fell asleep from the anesthesia.

After approximately two hours, we received the news that it was not necessary to remove one of his testicles. Today we continue to be grateful to God because our son is whole.

The first two weeks were a little difficult; we had to take extreme care, especially with diaper use.

Today Samuel is much better, recovering every day. This Monday, August 4, he returned to school.

We are very grateful to everyone for their prayers and offerings for us.

We would like to especially thank Faith Baptist Church – Versailles, Kentucky; Faith Missionary Baptist Church – Paducah, Kentucky; and Baptist Church Cochran Creek – Pocahontas County, WV.

Please continue to keep us in your prayers. God bless you.
