Dear Brothers and Sisters in Christ,

Greetings from the Tweets in good ol' North Carolina. It has been a while since I reported to you all. Time just flies by and before you know it, you are delinquent. Please forgive me dear friends!

In my communications with Pastors Lisandro Cordova, Enrique Navarro, and Tacho Suazo in Honduras, I am thankful to hear that they are blessed with the faithfulness of their people. Each month the sister churches have a fellowship meeting, and around one hundred or so of our brothers and sisters and lost folk gather in one of their church properties to worship God together in prayer, music, and preaching. We love these folk and desire God's blessings upon them. They may be poor in this world, but are rich in the truths of God's Word. Each church will bring special music! They all have been using the Gloria Digital Orchestra music box in their services, which comes with hymnals and has 650 hymns and choruses programed in its computer to be used in traditional worship services. I have been using one of these blessed machines for years now. If you need help with your music, look up GloriaMusic.com. These small music boxes were originally designed to accompany Spanish hymns on the mission field, many of which were translated from English hymns, so the music can also be used with our English hymnals.

Sylvia and I are doing OK for mid seventies folk, although Sylvia has contracted shingles this past month and is in continual pain on the right side of her face, head, and ear. Please keep her in your prayers. We do not know how long she will have to endure this. It's different for each person who gets it, I understand. Thanks so much.

Please pray for me regarding going to Honduras for a visit. The pastors have expressed their desire for us to come to their conference in the spring. I have mixed feelings, but know that we should go, so pray with me regarding this trip. Thanks so much for doing so. I will close for now, God bless you all for your prayers and support.

With our love,

Bro. Ted and Sis. Sylvia Tweet
