Baptist Churches, Brethren in the Lord,

It is a blessing to me to be able to write and send you greetings from Mexico. My prayer is that you would be well and prosper under the guidance of the Almighty who lives and is coming again.

This past month of December our God has richly blessed us by His grace. It has not been very cold or rainy, which gave us more freedom to work for the glory of the Lord Jesus Christ. I rejoice in the Lord because God in His infinite grace has brought people to hear the Scriptures. A 32 year old single man has visited us and shows a desire to continue and learn. He is the son of a sister in our congregation. We see this as an answer to the constant prayers of the church and of his mother. Many times we have held Bible studies in her home and he had never wanted to come out to join us to hear the message, yet now we see how the Lord has given him the desire to even go hear the Word in the church service. Please pray for this young man, Estefano Lopez. Also, a grandmother has visited us, the mother of one of our neighbors. Thanks be to the Lord for all this that He does.

My wife continues to hold ladies Bible studies with a group of the sisters. They hold these classes in their homes and invite the neighbors to attend. Also the brethren are faithful to attend the regular church services, pass out literature, preaching in the streets and shopping centers. We also want to accompany them to witness to their friends and family, with each one choosing who to visit first on their list. This is with the purpose of carrying the gospel to more people and at the same time helping them to explain the message more clearly and to answer questions that they may have.

Thank you for praying for us. May God abundantly bless you.

***"Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified, even as it is with you:" 2 Thessalonians 3:1***

In the service of the Lord,
