

MOSCOSO FAMILY

**WE
ADVANCE
IN THE
GOSPEL**

WE CONTINUE TO SHARE THE TRUTH. OUR
DESIRE IS THAT MORE PEOPLE CAN SEE
WITHOUT BLINDERS ON THEIR EYES.

ABRIL 2026

The truth about Jesus remains our priority. This year, 2026, we began studying the book of Acts; we are excited to see how God will move His church through the study of each chapter. We believe it is vital for us to understand how God narrates the development of the church during times of persecution; He shows us the model of evangelism that comes from Him, while encouraging us, under the power of the Holy Spirit, to

share to share the truth with sincere love.

The term “grace” is very important to us today. We have received “grace,” we trust that we are “full of grace,” and now we are called to continue in that “grace.” We trust that this “grace” is what attracts people, makes them children of God, and then sends them on mission into the world.

By His grace we continue to share the truth. People visited us and heard the gospel.

We are working every day to help our neighbors, family, and friends get to know Jesus. During these first months of the year, we have held special events, and at each one, people have come to hear about Jesus.

They have heard about the forgiveness and reconciliation that only Jesus can bring to their lives. They have heard about His perfect sacrifice and how He rose again to bring hope to those who believe.

Acts 4:12

12 Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved.

Please help us by praying for the salvation of:

José Benjamín, José Eduardo, Ana, María Fernanda, Elizabeth.

Marita, Daniel, Matías. João, Zoila, Sonia, Eduardo and Frida.

Also pray for Delia and Ana.

We are preparing ourselves every day to receive people and be used by God to share His Word.

Pray for us

In the last months of 2025 and the beginning of this new year, 2026, our church is facing financial challenges.

Please help by praying for God's provision each month.

We are unable to cover 100% of our monthly obligations; currently, we can only cover 40%. All our brothers and sisters, along with us, are working hard to try to cover everything that is necessary. But we still need more help to reach our goal.

Carlos, our eldest son, continues his studies, and due to his excellent grades, his school has awarded him a partial scholarship. This helps us a lot with our finances.

Elisa and Samuel continue their studies at a regular school in our city. Elisa's presence is essential for Samuel's safety and educational development.

It strengthens our faith to see our young children together, supporting one another.

Our son Samuel has had two more surgeries on his mouth during this time. We are very grateful to God and to you for your provision. Thank you for always being there for us.

This April, my wife is undergoing medical tests for a checkup of her abdomen and breasts. The doctors recommended these tests for cancer prevention.

These past few months, I've had to see several doctors; it seems that age is slowly catching up with me.

Please help us by praying for all of this. We trust in God's provision for everything.

Special thanks

Dear brothers and sisters the Harmony Baptist Church - Camden, TN and Pastor Bob Myers

I am sure this special message finds you filled with the grace of our Lord.

I am writing to you with a heart full of love for you and to sincerely thank you for your generous offerings, which you faithfully continue to send us.

Knowing that we have your spiritual and financial support gives us the strength to continue the work here at Encounter Baptist Church in Arequipa, Peru.

Your faithfulness in your offerings is a direct answer to our prayers and has profoundly impacted my spirit and that of my family.

We ask that you continue to join us in prayer so that this ministry may continue to bear fruit.

Thank you for being part of this work and for your commitment to the gospel. May God bless you abundantly for your generosity.

In Christ.

Pastor Rolando Moscoso
