Greetings Dear Pastors and Churches,

Once again, I hope and trust that each of you are rejoicing in the blessings of our great Lord and Savior Jesus Christ. I thank God for you and your steadfastness in the Lord's assemblies as we labor together until the return of the One who has given us eternal salvation and a hope which is permanent in our beings!

Sylvia and I, as many of you know, spent two weeks in "the world's best-kept secret," the beautiful country of Honduras. And we saw how it has grown! We could not believe our eyes! Even our little village of Balfate has, I would guess, doubled or more since our last trip in 2012. Rio Esteban as well has grown and even has some concrete roads and both have an influx of folks coming from other countries!

We rejoiced in the blessing of being warmly welcomed in the churches which the Lord used us to start, and they continue to prosper in the truth as well as in physical growth. We have not been hugged so much in our lives! The singing in each assembly was done with devotion and much volume. The little music machine, the Gloria Digital Orchestra, is used in all of the assemblies which helps with singing in the right key to start with. Each message during the conference was scriptural and preached with love and compassion. Some needed a little instruction on how to properly use the microphone, which I hope they will follow. God has truly blessed these churches and the mission work as the God-called pastors and elders continue to preach the truth of God's Word. We want to heartily thank Bible Believers BC and Pastor Paul Sandelin in Naples, Idaho for the \$1000 love offering to cover expenses of the trip to Honduras, which covered everything above the American Airline tickets which we bought last November with \$1240.44 from the Honduras Fund. Thanks so much for those of you who prayed and sent support throughout the years while we have been involved in these mission efforts! Your sacrifice in this work has and will continue to be blessed as God shows forth His love to them and the future which awaits them in glory. Thanks again for your love and kindness.

Your servant in Christ, *Ted & Sylvia Tweet*
