JIHAD IN AMERICA

*OVERVIEW OF THE INVESTIGATIVE PROJECT ON
TERRORISM VIDEO "THE GRAND DECEPTION"*

AN OVERVIEW OF LAST WEEK'S SHOWING

Where Are Radical Muslims in America?

- ▶ IN ALL WALKS OF LIFE, ESPECIALLY IN POSITIONS OF INFLUENCE

What is the Agenda of Islam in America?

- ▶ TO ESTABLISH AN ISLAMIC STATE WITH SHARIA LAW AS ITS FORM OF GOVERNMENT – this goal is planned for the whole world
- ▶ TO ACCOMPLISH THIS, LYING IS APPROVED BY THEIR RELIGION

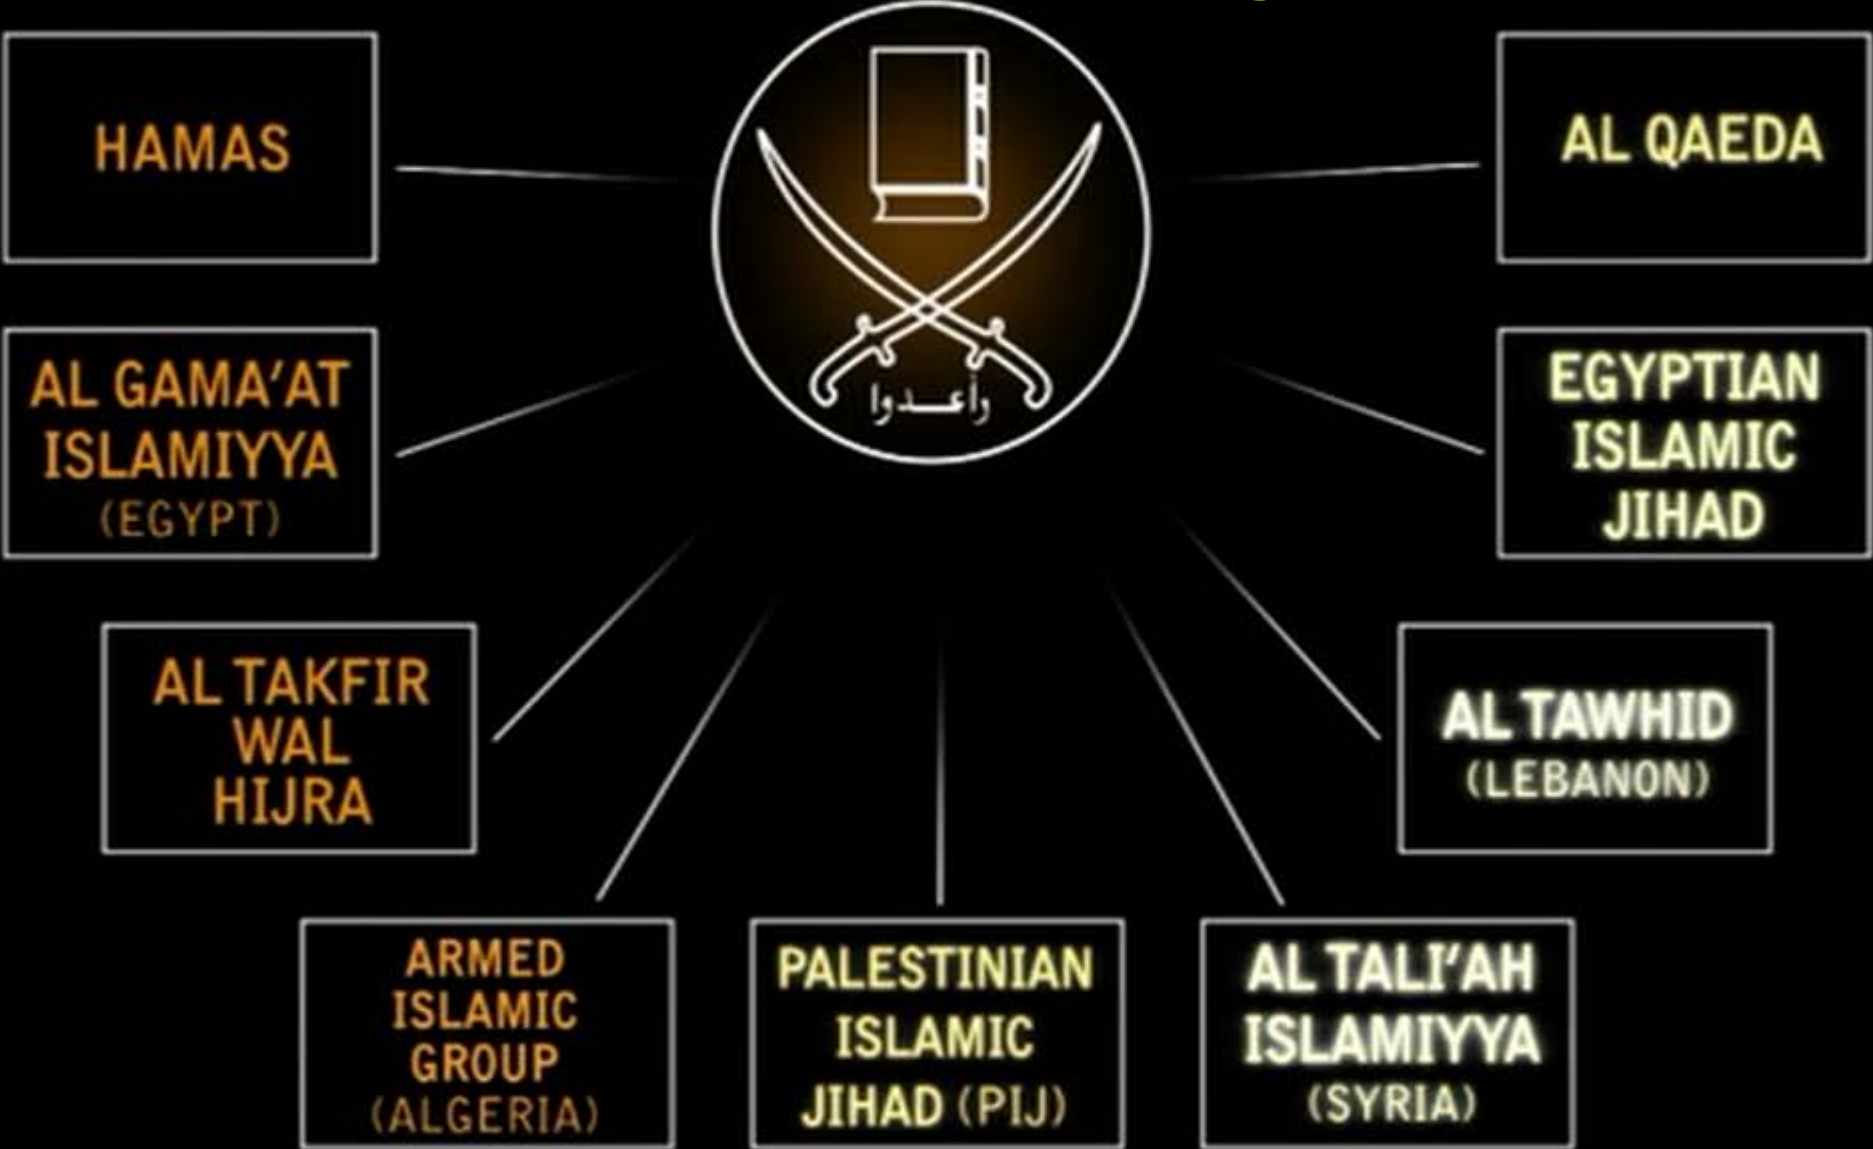

Statement by Hassan al-Banna, Founder, Muslim Brotherhood

- ▶ “It is the nature of Islam to dominate, not to be dominated, to impose its laws on all nations and extend its power to the entire planet.”

Expansion of Muslim Brotherhood

- ▶ Spreads across world between 1930's and 1973
- ▶ First Muslim Student Association (MSA) in U.S. during this period
- ▶ MSA starts a financial-holding company to fund radical Islam

Experts Say Muslim Brotherhood is Origin of All Modern Islamic Organizations

What is the U.S. Government Doing About these Muslim Brotherhood Organizations?

- ▶ Engaging them, appointing their members to government positions
- ▶ Treating them as though they have not declared holy war (jihad) against the U.S.

Examples of Islamic Rhetoric

- ▶ “This religion that is Islam it shall govern the whole universe.”
- ▶ “We don’t want to democratize Islam, we want to Islamize democracy.”
- ▶ “Our job is to change the Constitution of America.”

Examples of Islamic Rhetoric

- ▶ “Conquest through da’wa (propaganda and proselytizing into Islam), proselytizing, that’s what we hope for. We will conquer Europe, we will conquer America! Not through sword, but through da’wa.”

Examples of Islamic Rhetoric

- ▶ “Ultimately we can never be full citizens of this country because there is no way we can be fully committed to the institutions and ideologies of this country.”

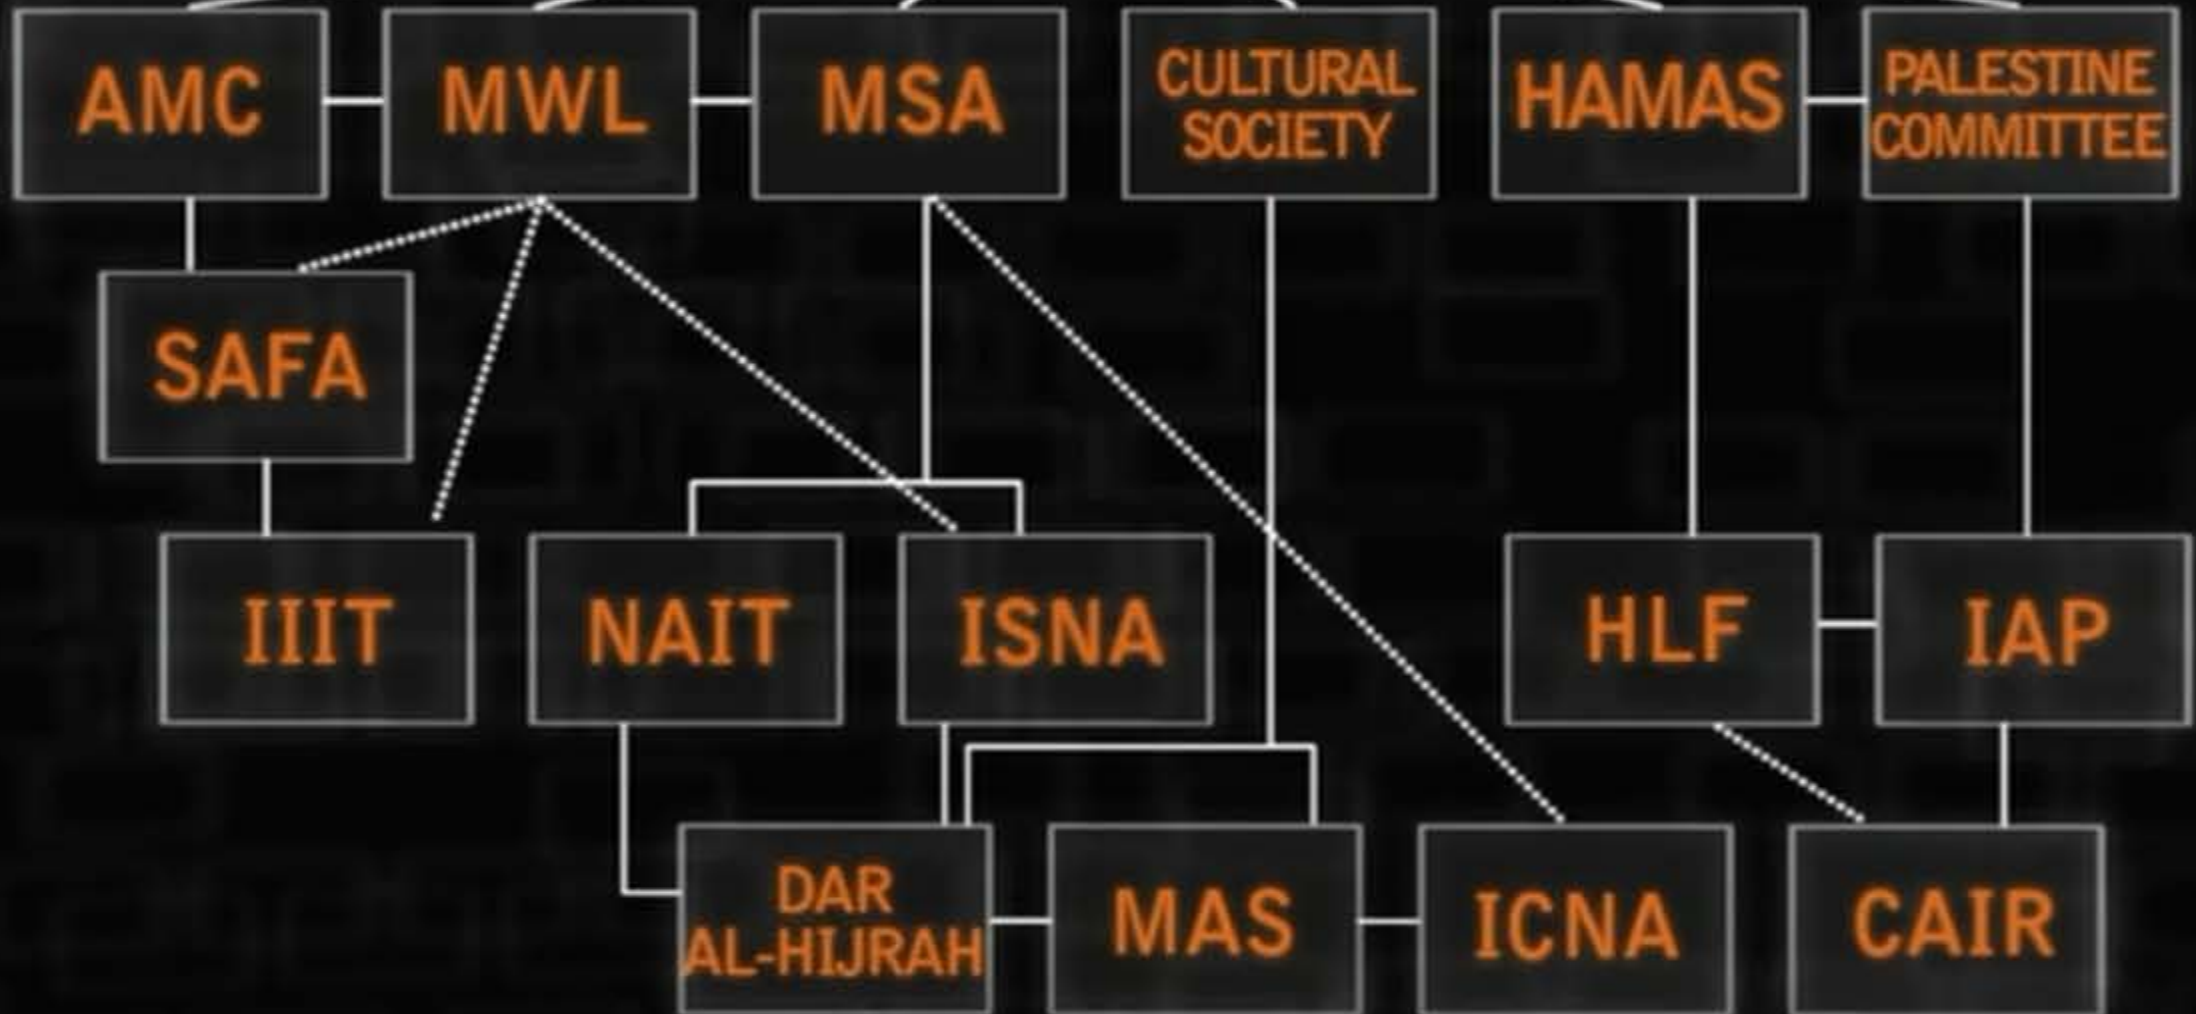

Examples of Islamic Rhetoric

- ▶ “We encourage Islamic Centers (in the U.S.) to assign scholarships and given scholarships for five students every year. Imagine if we do it nationwide; five years from now you will have an army of lawyers, you will have an army of journalists, an army of teachers who go to schools, universities, who can educate people about the history of Islam and the true Islam.”

ISLAMIC ORGANIZATIONS

In the UNITED STATES

Muslim Brotherhood Financing and its Goal

- ▶ Millions and millions of dollars being sent to America from Muslim countries to finance the ongoing jihad.
- ▶ The Goal? FBI reports, "...the IKHWAN (Muslim Brotherhood) in the United States has as its ultimate goal political control of all non-Islamic Governments in the world. "

Muslim Brotherhood Has Ongoing Operation to Hijack American Media

- ▶ Could this be the answer to why mainstream media today are totally corrupted and are engaged in obvious deception of the American people?

Jihadists Use Accusations of Racism, Bigotry, Religious Intolerance as a Tool

- ▶ Accusing opponents of the American jihad as racists, bigots, haters of Islam to shut them up.
- ▶ Part of this activity is carried out by jihadists playing the downtrodden, abused victims

Jihadists Use Political Camouflage as a Tool

- ▶ Define ways and format their message to keep the world from calling them terrorists
- ▶ Disguise known terrorist organizations (such as Hamas) as peaceful political organizations

Jihadists Use Political Camouflage as a Tool

- ▶ There were two objectives identified:
 - ❑ 1) How to market Hamas (and perhaps other) terrorists to Muslims
 - ❑ 2) How to disguise Hamas' terrorist agenda in order to sell it to non-Muslims

Jihadists Use Political Camouflage as a Tool

- ▶ In America they re-branded their organization front, naming it CAIR (Council of American Islamic Relations)
- ▶ In 2005 a coalition of Islamist leaders publically deplored acts of terrorism as another camouflage for their actions.

Jihadists Use Political Camouflage as a Tool

- ▶ A wave of Islamic speakers support jihad in their rhetoric while having a public face that supposedly stands against jihad
- ▶ CAIR continues to hide their terror related connections

Jihadists Use Political Camouflage as a Tool

- ▶ Jihadists continue to declare that they are for peace. But Islamic experts tell us that Muslim peace is not freedom.
- ▶ The Muslims idea of peace for jihadists is to bring every nation and people under subjection to Sharia law and Islam.

Jihadists Use Political Camouflage as a Tool

- ▶ The real agenda of jihadists in America and elsewhere is “hidden in plain sight.”
- ▶ American located jihadists began to tie themselves into U.S. government organizations and people (politicians and bureaucrats).

Jihadists Use Political Camouflage as a Tool

- ▶ A leading figure Alamoudi began to publically support violence when no media was around. He was guilty of jihadist crimes while working for the U.S.
- ▶ Propagandizing of politicians and bureaucrats continued

Jihadists Use Political Camouflage as a Tool

- ▶ Cair also befriends the Muslim Brotherhood, a radical jihadist organization
- ▶ Cair further burrows into America by befriendng Hollywood powers

Jihadists Use Political Camouflage as a Tool

- ▶ Movie moguls from Hollywood began to kiss up to Muslim jihadists and began to customize their movies to blot out any bad press on Islam or jihad.
- ▶ Leading figures in America began to defend CAIR as a peaceful force and not connected to terrorism.

Jihadists Use Political Camouflage as a Tool

- ▶ In 2008 a witness in a national U.S. terrorist trial identified CAIR as a front group for terrorists.
- ▶ At that time, Prosecutors found CAIR to be an unindicted co-conspirator in the trial. F.B.I. cut its ties with CAIR.

Jihadists Use Political Camouflage as a Tool

- ▶ CAIR began a smear campaign against the F.B.I. to try to destroy the validity of the charges against CAIR, and to wipe out the effectiveness of the F.B.I. to deal with them.

Jihadists Move from Words to Action in Their Terrorist Activities

- ▶ America is warned by the experts on Islam and jihad that we are giving Islamic jihadists a pass as a “religious organization,” when in fact they are a political machine.

Jihadists Move from Words to Action in Their Terrorist Activities

- ▶ Jihadists began a campaign to launch censorship efforts in America.
- ▶ It has been successful in the public square because now no public figures will say one thing critical of Islam, jihad, Muslims, etc.

Jihadists Move from Words to Action in Their Terrorist Activities

- ▶ Jihadists portray a fight against jihad as a fight against Islam
- ▶ The single most inciting thing for Muslims to take action is the propaganda that the resistance against jihad is a fight against Islam

Muslim Brotherhood Motto

- ▶ Allah is our Goal.
- ▶ The Prophet is our leader.
- ▶ The Quran is our constitution.
